

DATSUN 1600 Station Wagon

The New 5-way Wagon That Really Moves!

Half Workhorse, Half Wonder Car!

Here's the Estate Car that's all business, but still remains a rather beautiful car. To sit in, drive and look at. It has 5 winning points. 5-door accessibility. Extra space. Extra luxury. Exceptional flexibility. And 160 km/h (100 mph) speeds! With 15.6 m³ (55 cubic feet) of inside space there's more room for passengers, and bigger capacity for luggage. To zoom you along with big loads, the rear seat folds flat for instant conversion.

And it has the luxury features that make motoring a joy. Adjustable flow-through ventilation. Full side-view windows with special curved glass. Front foam-cushioned bucket seats. Protective padding throughout, including the luggage area. And a sporty grille. Plus lots of new touches, like red

needles on the meters, refined door panelling, etc.

Rally-winning Engine

The heart of the tough DATSUN 1600 is its expensive OHC engine that generates 96 HP! It has powered DATSUN cars to top rally honors, and gives the economy that no sensible motorist can ignore. Top speed is 160 km/h (100 mph)! To match this engine performance, just sit behind the wheel. You'll think you're in a sports car. Cockpit style round, racy meters in matte-black with reflection-free glass. Padded horn bar. Recessed instruments. All in sporty

black surroundings.

Sure Stops

High performance disc brakes are fitted to this stylish car for sure, non-fade stopping even at high speeds.

An advanced standard feature is a tandem master cylinder

that controls front and back brakes independently.

All-road Suspensions

For maximum riding comfort over the worst roads, it features front independent strut type suspension, while the rear end is treated to a smooth ride from extra-tough leaf springs with double-acting shock absorbers.

Specifications
